(decor idea)
**Surround
 sound**

Your taste in music and decor speaks volumes about who you are. Now you can blend the two with the CDwalltile system: interlocking plastic display frames that can hold your CD covers. The frames come in a bright rainbow of 13 colours (variety packs also available). Plus, they easily stick to walls with a special adhesive (great for the indecisive decorator).

— DANICARLO LA TORRE
 Frames (CDwalltile US\$19.99 for 5; cdwalltile.com)
